SLOW the Spread of COVID-19
REDUZCA el contagio de COVID-19

Do not enter this building.
No entre a este edificio.

How is it prevented?

- Wash hands often
- Avoid touching eyes, nose, or mouth with unwashed hands
- Avoid contact with sick people
- Stay home while you are sick; avoid others
- Cover mouth/nose with a tissue or sleeve when coughing or sneezing
- Clean and disinfect frequently touched objects and surfaces

Coronavirus is Contagious
