

REQUEST FOR CONDITIONAL BUILDING PERMIT APPLICATION SIGN-OFF

For use when Water Availability Requirements cannot immediately be met.

Due to passage of ESSB 6091, and the Governor signing it into law, the well must be drilled prior to permitting. It may be possible to sign-off Building Permit application for other reasons. (i.e. – cannot test the water because there is no power to the well)

I hereby request the Grant County Health District to conditionally sign-off the building permit application for (applicant name): _____.

parcel number: _____.

The reason(s) that I am not able to fulfill the Water Availability application requirements at this time are:

1. _____
2. _____
3. _____

I have read the Water Availability application and understand the requirements. I understand that I will not be able to occupy the structure until all water availability conditions are complied with.
